The KCI-ABS 7000 closed-loop system provides coaters with complete powder coating capability and operating control. Photo courtesy of KCI America, 2400 E. Devon Ave., Ste. 210, Des Plaines, IL 60018; 847/699-8490; [www.kcispray.com].

ISSUE FOCUS: POWDER COATINGS

23 Technical article: Application of metallic and other specialty powder coatings

Danielle Dykstra and Joseph Roush

Special-effects powder coatings require extra training for applicators to get the coating to look its best. This article describes a variety of special effects to assist you in application and to troubleshoot problems.

29 Powder coating: A global value chain perspective

Lukas Brun and Ruggero Golini

Read excerpts from a market study by Duke University's Center on Globalization, Governance & Competitiveness (CGGC), sponsored by the Corporate Partnerships Program of the Environmental Defense Fund. The article uses Global Value Chain analysis to highlight important dynamics in the powder coating industry.

34 Update: Literature about powder coatings

35 Architectural powder coating projects, part 2: Checks 'n' balances—engineering finishes that last

Michael W. Cravens

This article is the second in a three-part series targeting powder coating of products in the architectural market.

39 Powder coatings clinic: Self-healing powder coatings

Marek Urban, Ph.D., and Cathrin Corten, Ph.D.
